Incident date	November 3, 2026
Acknowledged	November 4, 2026
Reported supervisor	Jordan Lee

Report received

We recorded your report of a cleaning-solution splash to the left forearm in the San Francisco preparation room on November 3. We understand you attended Harbor Lantern Urgent Care that day.

Outstanding information

Our records in this packet do not yet identify the workplace-injury insurer or claims administrator. No insurer claim number, completed claim form, or acceptance/denial notice is attached. The supervisor is locating the product information and safety data sheet.

Reference for follow-up

People Operations: people@cedarquay.invalid. This is a reserved, non-deliverable fixture address. The incident report number above is an internal employer reference, not an insurer claim number.

Status

Receipt of this report is an acknowledgment only. It is not a coverage decision, admission of liability, or confirmation that a claim has been filed with an insurer.
